

TKM Prayer, Decree, and Declaration for the People

The following prayer and declaration is provided in hope that you and many will join in agreement with us to pray for the great health need of people now, and it is rapidly increasing and only looks like the need will become exponentially greater. The need of the extraordinary TKM knowledge and use to help the people is now!

I firmly agree that praying for God's healing is the priority and highest form for supernatural healing and restoration possible. I only believe in One Healer, Jesus, the Christ.

We also know that not 100% of people prayed for get healing as desired or when desired. So, there are things we should be equipped to do for all needing help, what better than TKM (non-invasive, non-toxic, produces no negative side effects, but produces phenomenal great results - that anyone can do - that gives God all the glory when Truth is understood)? We don't want to only count on standardized medicine or drugs that have come short or failed in so many areas for the people.

I've done the work and planted seeds for over 35 years and it is time to pray for the good harvest to come now, covered by the blood of Christ.

I'm including the prayer, decree, and declarations below and I truly hope that you will join us in daily prayer and persevere until this comes forth. I invite and encourage you to please reach out to prayer partners, groups and others for this goal. They don't have to know TKM to pray. Please Share this prayer need.

I've prayed much and searched Scripture for this purpose, but you may desire to alter the prayer, or your group may want a change some things as well. That is Fine, I only ask to let Holy Spirit lead you in what or how to pray this very important need for people.

Prayer is the most powerful thing we can do! So, lets join together in agreement with faith and action to see the fruit of it. It would be good if you would let us know that you are participating.

We also ask if you would pray for us and this ministry for provision, protection, and the Lord's leading in all areas, as the Lord leads you. Thank you!

The prayer begins on the next page.

Please Share, print out, use, and distribute as will benefit the purpose.

I SINCERELY THANK YOU!

I speak this aloud; I pray, declare, proclaim, and decree by faith in Jesus, according to God's faithful Word that *whatsoever I shall bind on earth shall be bound in heaven: and whatsoever I shall loose on earth shall be loosed in heaven.* (Matt. 18:18...).

As I speak, I loose it - that doctors, hospitals, universities, clinics, and others Shall complete studies & publish highly reputable peer-reviewed articles Now in America and other countries -on the importance and efficacy of TKM Emergency procedures and more, and they shall be recognized and accepted greatly!

We pray God is providing great Influencers promoting and making connections Now effectively for God's purpose for the ministry of TKM. Therefore, there IS national & international recognition & adopting of TKM procedures into practices, giving all the glory to God.

This includes a multitude of churches, missionaries & organizations, fire & police departments, schools, clinics, military, governments, businesses, hospitals, and families in America and the nations spreading rapidly without delay. All submitted and surrendered to God's perfect will to BE done.

We pray the knowledge and help of TKM Shall remain fruitfully spreading, multiplying good harvest everywhere - helping people phenomenally, all pointing to Christ, our One and only Healer, for God's glory; with the devourer cut-off and absolutely rebuked in every way!

Father God, the seeds and prayers have been planted for many years, and the need of Your people is great, and You have provided the wisdom to help millions and billions of people and point the understanding and gratitude to Jesus, for Your glory alone, for Your name's sake, and according to the promises of Your Word, without delay it cannot return empty.

Father God, I surrender all of it to Your will alone being done with all trust and faith! Thank You LORD!

I believe it, I speak it into creation, we receive it, and call it done, in Jesus name, Amen!
Hallelujah!
